• **Comments:** Attn: Mr. Lee Sexton here is the copy of the (Official complaint) that I 'm sending to the DeKalb County police Investigation unit for you review. This complaint should start the investigation in reference to the officers' misconducts. I did not want to go into detail (on the complaint) like you had instructed. I just want to make sure if this complaint was ok? I talked to my civil attorney about the complaint, but he is not my criminal attorney. I don't want to release anything new to anybody without you present or without you having knowledge of the complaint. I will maintain a copy for myself since I have no way of knowing if this reaches your hands. Amendments A, b1, b2, and c are copies of the police reports that you and the Dekalb county police Department already have in their files. Thanks you for your time. (CLIENT _____) *James JONES.*

On March 13, 2007 I received a facsimile transmittal sheet from the Georgia Department of labor in reference to a hearing and I requested several person(s) to be subpoena. Ms. Tanya Carter of the Georgia DOL (Department of Labor) advised me that once I received the requested subpoena from the DOL that I would be responsible for delivery of subpoena to the witness(s) who were to appear at the hearing. (See attached amendment) (A)

On March 17, 2007 at approximately 12:00 hr, I arrived at 4024 Orchard Hill Ter located in Stone Mountain Georgia 30083. I knocked at the front door and an adult lady said who it is. I said James Jones. The lady behind the door said who (again). I replied James Jones a "**former officer**" who used to work with your mother at Clarkston Police Department." The lady opened the door and stated, "I know you, you that officer from Clarkston." I then asked the adult lady was her mother (Ms. Joy Adams) home. The adult lady said no and advised that her mother (Joy Adams) was at work.

I asked the adult lady if I could leave a copy of a DOL hearing subpoena with her to be giving to her mother. The adult lady said yes and advised me that she would give the subpoena to her mother (Joy Adams) when she comes home from work later that day. I told the adult lady thank you, she closed the door and I walked away. On March 21, 2007 the day of my DOL Unemployment hearing, Dekalb County Police officers got out of their marked and unmarked unit approached and arrest me.

I asked the officer what was the reason for the arrest and they said nothing. I told J. Chamorro that she could not search my vehicle. The officer J Chamorro had me placed in the back seat of a unit and started to ransack the driver, passenger, rear seating area and the trunk area of my vehicle. I asked her why was my vehicle being searched and she just ignored my question. J Chamorro removed my items from my vehicle. I also told J Chamorro not to tow my vehicle. J Chamorro then said that she was towing my vehicle and when I asked why she stated "because I can I'm the police". I then asked her even if my vehicle is parked on private property she stated "yes".

So my vehicle was towed with incident. I told Officer J. Chamorro not to tow my vehicle, because my wife could have retrieved my vehicle from DOL parking lot. Due to officer J Chamorro decisions to tow my vehicle I had to endure a hefty sum to retrieve my vehicle from impound. I was later informed by J Chamorro while en route to DeKalb County Jail that I was being arrested for impersonating a police officer. The adult lady at above listed location was later identified by a warrant number# 08W04967 as Zaneta Williams the Daughter of Ms. Joy Adams. (See attached amendment) (B1), (B2) and (C).

I would like to request a written response from the DeKalb County Police investigation unit, in reference to their finding and resolution in this matter. I will maintain a copy of this letter for my file.

On December 19, 2008 I left home to file a formal written complaint at the DeKalb County Police Internal Affairs Division at 1960 West Exchange Suite 201 Tucker, Georgia 30084. At approximately 11:30 a.m., I arrived and spoke with Detective Sledge. Detective Sledge advised me that he knew Detective J. Chamorro and he almost refused to file the complaint. Detective Sledge also told me that there was no reason for him to review the complaint, but that he would forward the complaint to Detective J. Chamorro's supervisor (who works in the Homeland Security Division) for him / her to review.

At that point the clerk (of the Internal Affairs Division) provided me with a stamped copy of the complaint form that would be forwarded to Detective J. Chamorro's supervisor with a date of December 19, 2009. The copy I received read "10 pages included". Also on the formal written complaint, I requested a written response from the DeKalb County Police investigation unit that was handling the complaint, in reference to their findings and resolution in the matter. Interestingly to date as of February 2009 I have yet to receive their written response to the formal complaint.

On January 09, 2009 at approximately 4:35 p.m., I received a phone call from (telephone # 770-724-0000) a Sergeant Metley claiming to be with the DeKalb County Police Homeland Security Division. Sergeant Metley said that he was calling in reference to Detective J. Chamorro who worked under his supervision. Sergeant Metley said that Detective J. Chamorro was exonerated and that she had witness (es). I have a question, **exonerated from what?** He further stated that if I wanted to appeal the decision that I could. I have another question, **what decision?** Did internal affairs make a decision?

Now, (#1) **fabricated evidence:** is defined as false or deceitful evidence that is unlawfully created, usu. after the relevant event, in an attempt to avoid liability or conviction. How would I know what to appeal if I did not receive the written response I requested from your findings? Sergeant Metley verbal communication in society has no weight nor can be used as grounds of proof for anything. This is why I requested a written response from the DeKalb County Police Internal Affairs Division. I need something in written format, as requested. I ask is Sergeant Metley fabricating evidence?

What was Sergeant Metley (#2) **mens:** is defined as mind, intention, will? at the time he telephoned me? Did Sergeant Metley have knowledge or belief that Detective J. Chamorro was performing her job at the time of my arrest or was she acting on (#3) **moral evidence:** which is defined as loosely evidence that depends on a belief, rather than complete and absolute proof?

Page 2 of 2

I asked was Ms. Joy Adams present at the time the subpoena was hand delivered. In fact this is the main question, which I mentioned / asked internal affairs. Detectives and officers should have all facts not beliefs before arresting someone?

Next (#4) corroborating evidence: is defined as evidence that need support. I ask where is this statement, which corroborates with one another? Now (#5) need n is defined as the lack of something important; a requirement. So, I ask did both of the individuals have this knowledge of the allegations (at the same time). If an individual did not have knowledge of the allegations being heard or seen at the same place and time of the facts (or alleged allegations), then how could you have any corroborating statement?

Did the corroborator according to the initial report filed in March of 2008, hear with his / her own ears or witness with his / her own eyes the alleged allegations. Case and point, look closely at the (warrant # 08W04967, it reads under pc- D knocked on V's door announced he was a Clarkston P.O. when V opened door, D gave her a subpoena for her mother). Meaning, that Ms. Joy Adams received no documentation from me directly. Further; if Ms. Joy Adams was present, what would be the reason to give the subpoena to her daughter. I ask was the corroborator present at the time and place of the alleged matter?

Did Ms. Joy Adams have direct evidence? Number (6) direct evidence: is defined as evidence that is based on personal knowledge or observation and that, if true proves a fact without inference or presumption? Did Detective J. Chamorro act on direct evidence or moral evidence? I have a question? Do DeKalb County Police Detectives act on insufficient evidence? I would like to say that (#7) insufficient evidence: is defined as evidence that is inadequate to prove something, so that no presumption-even a conditional one-is raised. I ask was there an investigation conducted by Detective J. Chamorro??

May I ask Internal Affairs; is there a written policy at the DeKalb County Police Department where officers are trained to arrest an individual based on hearsay evidence alone? I'm not referring to a practice that some of your officers may engage in. However (#8) hearsay: is defined as traditionally, testimony that is given by a witness who relates not what he or she knows personally, but what others have said, and that is therefore dependent on the credibility of some other than the witness. **I ask again, was Mrs. Joy Adams present on March 17,2008 at approximately 12:00 p.m. at 4024 Orchard Hill Ter Stone Mountain, Georgia 30084 at the time of the said allegation?**

To be clear for my records, too have corroborating statements, two individuals would have to be present at the same place, which would give the knowledge at the same time. I mean to be able to have what is termed corroborating statements? Right, true or false?

Page 3 of 3

That brings us to (#9) **substantial evidence**: evidence that a reasonable mind would accept as adequate to support a conclusion; evidence beyond a scintilla. Detective J. Chamorro did not have substantial evidence? Lastly (#10) **scintilla**: is defined as a spark or trace.

Question: #1 did Zaneta Williams talk to Attorney King as stated in the incident initial report filed on March 18, 2008 at 6:30:57a.m., because it reads; she (who Ms. Joy Adams or her daughter Zaneta Williams) stated that the suspect even had someone who claimed to be an Attorney King (Mr., King #770-991-0550) call her (again which one, Mrs. Joy Adams or Zaneta Williams) telling her (who Mrs. Joy Adams or Zaneta Williams) "you better give us your statement in regards to this case". Question, was this Ms. Joy Adams speaking or Zaneta Williams her daughter?

Question: #2 now on the same incident initial report face sheet (in the victim column) filed on March 18, 2008 at 6:30:57a.m. it reads Mrs. **Joy Adams as the victim** and according to the report she would be the person given this testimony in the narrative on page two of the same incident initial report? Now, according to Detective Sledge, he said that the person who gave that statement in the incident initial report filed on March 18, 2008 at 6:30:57a.m. was Zaneta Williams and Detective Sledge tried to prove a point with a copy of a second supplement report that I had on my person, which was dated 05/11/2008.

The second supplemental report reads; **at approximately 2200 hrs I received a call from Ms. Adams stating that there was a mistake on the narrative of the original report. Mrs. Adams stated that her daughter, Mrs. Zaneta Williams was also the victim in the above incident and that she was the person who answers the door for the suspect.** Approving Officer Rosemund, D D badge # 1429. What was the mistake on the narrative of the original report? Warrant #08W04967 provided us with who answered the door, so why would Mrs. Joy Adams call the DeKalb County Police Department and want to change the report. **I ask again, "What mistake was corrected on the narrative of the original report". Question, Did Zaneta Williams have a conversation when she opened the door or was she mute? If there was a conversation with Zaneta Williams, what does it say?**

You just read that Mrs. Joy Adams said that her daughter Zaneta Williams was the one who opened the door. Why would Mrs. Joy Adams go out of her way to call the DeKalb County Police to make sure that the report was corrected and made to reflect that it was her daughter that opened the door and not Mrs. Joy Adams? Mrs. Joy Adams knew that a conversation had taken place and she knew that she was not the person present at the place and time who spoke with the defendant. For this reason I ask again, was Mrs. Joy Adams present on March 17, 2008 at approximately 12:00 P.M. at 4024 Orchard Hill Ter Stone Mountain, Georgia 30084 at the time of the said allegation?

Page 4 of 4

Mrs. Joy Adams knew that she was not present at the alleged place and time, which is why it had to be the daughter Mrs. Zaneta Williams that answered the door and not Mrs. Joy Adams. Zaneta Williams could have easily said wait a minute let me get my mother and if Mrs. Joy Adams was in the distance of the sound of my voice, what did she hear. Like I said in the formal written complaint filed and dated December 19, 2008 **"I then asked the lady (Zaneta Williams) was her mother Mrs. Joy Adams home". The lady (Zaneta Williams) said "no" and advised that her mother Mrs. Joy Adams was at work.**

Now if Mrs. Joy Adams was at work on **March 17, 2008 at approximately 12:00 p.m.** how could she give the initial report filed on March 18, 2008 in first person, based on second hand information. **At that point Mrs. Joy Adams testimony would be considered hearsay, because is not (direct knowledge of the allegations). This is why Mrs. Joy Adams tried to call the DeKalb County Police and correct the report, to say that her daughter Zaneta Williams answered the door, because the initial report made it look like Mrs. Joy Adams answered the door and gave a statement to DKPD. Warrant # 08W04967 provided you with the person who answered the door.**

Question: #3 again, I ask was Ms. Joy Adams present at the time of the deliver of the subpoena? I said no! Even on the last line of the narrative report page 2 of the initial report it reads: she thinks that he retrieved the address from an ex co-worker? I asked this question before, what would be the reason to give the subpoena to Zaneta Williams if Mrs. Joy Adams was **present**. I ask is there a written statement of Mrs. Joy Adams that corroborate with Zaneta Williams, because a second supplemental report confirms or affirms according to your department that Zaneta Williams gave the statement filed on March 18, 2008 at 6:30:57a.m.

Next question, another important one, did Zaneta Williams work at the Clarkston Police Department at the time of my tenure? A small inquiry into her 2006 and 2007 IRS statement of Zaneta Williams will prove that the answer to be "no, she did not work there", or just ask her.

Question: #4 now in the report filed on March 18, 2008 at 6:30:57a.m. did Mrs. Joys Adams or Zaneta Williams talks about an ex-coworker. Did we have knowledge of the same ex coworkers? Also according to the same words in the same narrative (the victim stated that the suspect was a former employee of Clarkston Police Department. So again who is given this statement (Mrs. Joy Adams or Zaneta Williams)? So as you can see this was Mrs. Joy Adams statement. **So explain to me who else received a subpoena, because I only had one per person**

Page 5 of 5

I could not have given them both a subpoena with only one subpoena. Somebody is being deceitful with their statements or investigation. Either I gave it to Zaneta Williams like it reads on the warrant # 08W04967 or according to the your incident initial report filed on March 18, 2008 at 6:30:57a.m given by Mrs. Joy Adams who also would have received a subpoena. I would like to know if the DeKalb County Police Department can explain the two subpoenas issues vs. the one subpoena that I hand delivered to Zaneta Williams on March 17, 2008 at 12:00p.m.

Mrs. Joy Adams statement was used to make it look like she was present and her daughter Zaneta Williams just witness the alleged allegations. I will like to tell you what this look like to me, but right now I'm only asking you questions. Anyone that read this letter will see the deceit, improper handling of statements or investigations. So I will wait for your findings

On Monday March 17, 2008 about 2:00pm there was a knock at my door I was hesitant to answer due to the fact we usually do not have visitors often and I was unaware of anyone coming to my home. I proceeded to the door looked out of the peep hole and because of a door hanger I was unable to see the upper half of the person at the door all I noticed was dark pants and dark shoes at that time I asked who is it and as the person responded I could only hear the end of his statement which was Clarkston police dept because of backs by the dog. I ask again and heard a muffled statement ending in Clarkston Police Dept, still not understanding his statement completely, I asked one final time and after the frustration of trying to understand him, I open the door slightly. A man black short maybe 5'5 - 5'10 was there in a skull cap black with a thin light blue stripe around it, tinted baby blue shades or heavy jacket and dark shirt jacket was dark as well said could you hear me I was

He proceed to say he worked with my mom at Clarkston and wanted to drop off this paper for her. The paper was handed to me folded in half and I ask well what is this for. I did not open the paper, he said well they are trying to black ball me at Clarkston like they did your mom. I not wanting to get into that I ask well ok how have you been. He said trying to make it. I said well we will pray for you. He said ok and he saw I was ready to close the door so he back up a little and I said bye and closed the door. AFFIDAVIT OF NEGATIVE AVERMENT

Come now James- Calvin Jones Junior, Third Party Plaintiff, by special visitation and not appearing generally, before this court (on April 26, 27th nor May 3, 2010) seeking a remedy in Admiralty as is provided by "The Saving to the Suitor Clause" at USC 28-1333(1). I am standing in my unlimited commercial liability as a Secured Party Creditor and request that the Third Party Defendant do the same, and waive all of their immunities. I respectfully request the indulgence of this court as I am not schooled in law. This is provided by the precedent set by Haines vs. Kerner at 404 U.S 519.

1.

On May of 2009, Lee Sexton was notified by via telephoned (May 07, 2009), fax (May 08, 2009) and certified mail # (7008114000080900332 on May 19, 2009 which was received in Lee Sexton Office by Jean Collins on 05-20-2009) in reference to concerns of a demand for speedy trial. Time frame for the filing had to be in before the deadline, which came due between May 4, 2009 and June 29, 2009. The court order that was filed in this case by the judge on August 4, 2009 denied the demand for speedy trial due to a default by Lee Sexton filing the demand for speedy trial on July 27, 2009.

Barker v. Wingo, 407U.S.514 described length, reason for delay, assertion of rights and prejudice to the defendant. Lee Sexton unwillingness over a period of time to move the case forward was a tactic to let the prosecutor gather more time to build a case based on fraud / conspiracy/ deceit. All this after the defendant repeatedly and adamantly asked about a speedy trial / acquittal. So the defendant had indeed filed the demand for a speedy trail in a timely manner.

Lee Sexton was given instruction to file it on time in his office and with the court, but failed to do (so you who stand in front of me as your sign) his duty as a civil/public servant who took an oath to uphold the CONSTITUTION(S). Lee Sexton, the defendant is your employer, as you have taken the defendant's tax dollars for your salary, you no longer

have the protection of a citizen, but are a public servant. Lee Sexton you along with the District Attorney Gwendolyn Keyes Fleming have aid in preventing the deprivation of defendant's rights, under color of law, or any act of a conspiracy against the constitution. You lack a victim, you lack a crime (No State codes, United States Codes, or Rules, You must use LAW) you lack a warrant, an indictment by a grand jury, and you lack jurisdiction both subject matter and personam. You have committed the crime of summary judgment, false arrest, writ of attainder, conspiracy against rights and have committed abuse of power (torts claims) for the defendant.

LEE SEXTON/ Lee Sexton you are hereby herein to cease and desist under color of law and if you thought that you was representing **LEE** or **JAMES C JONES** you are Hereby **Excluded From Court!**

DEKALB COUNTY, GA

FILED

DEFENDANT'S MOTION TO WITHDRAW BENCH
WARRANT AND PLACE HIS CASE ON THE NEXT
SPEEDY JURY TRIAL CALENDAR

COMES NOW the defendant herein, an innocent person and former City of Clarkston police officer, and, pursuant to OCGA Section 17-7-170 files this his Motion to Withdraw Bench Warrant and Place His Case On The Next Speedy Jury Trial Calendar as follows:

1.

On or about March 21, 2008, the defendant was unlawfully arrested by DeKalb police officers and charged with the felony criminal offense of impersonating a City of Clarkston police officer. Defendant denies the allegation.

2.

Defendant is the head of a household that includes his wife and four minor children. He is the primary supporter of his family.

3.

Since his arrest, the defendant has been unable to get employment as a police officer and has suffered serious financial indebtedness and problems, which included foreclosure on his home and insufficient income to support his family.

4.

In 2009, the DeKalb County Grand Jury indicted the defendant on the charge of impersonating a Clarkston police officer. His mother retained attorney Lee Sexton to represent him in defense of the charge.

5.

On or about May 7, 2009, defendant sent his attorney a written request to file a Demand for Speedy Jury Trial during the current court term.

6.

On or about May 11, 2009, attorney Sexton filed his Entry of Appearance and Motion for Discovery. Mr. Sexton did not demand a speedy trial per defendant's request nor did he inform defendant of any reason for not filing the demand during the current term.

7.

On or about May 19, 2009, defendant again sent attorney Sexton a

second letter requesting him to file a demand for speedy trial. On July 27, 2009, Mr. Sexton filed a demand for speedy trial on the defendant's behalf.

8.

On or about August 4, 2009, the State filed objections to defendant's speedy trial demand on the grounds that it was untimely. The court sustained the State's objections and denied defendant's demand for a speedy jury trial. The case was later placed on the April 26, 2010 trial calendar.

9.

While defendant waited for his jury trial his financial situation continued to deteriorate and his post traumatic stress level continued to increase. Mr. Sexton was not responding to his phone messages or letters. Defendant submitted several documents to the court, pleading for the court's help. The court did not respond to the defendant's pleas for a speedy trial and help.

10.

When the court called the defendant's case for trial on April 26, 2010, Mr. Sexton appeared although he had been terminated as defendant's attorney. Mr. Sexton announced he did not know

defendant's whereabouts and the court should issue a bench warrant for the defendant. Per Mr. Sexton's request, the court issued a bench warrant for defendant's arrest for failing to appear in court for jury calendar call.

11.

On April 26, 2010, defendant entered the courtroom after his case had been called and after Mr. Sexton had exited the courtroom. The court did not call the calendar a second time, after announcing the bench warrant, for defendant to respond prior to adjournment.

12.

Since his arrest, defendant has suffered severe post traumatic stress and is in need of immediate medical treatment. Defendant believes he will not get this treatment if he is incarcerated in jail on the bench warrant, nor will he be able to adequately assist his attorney with trial preparation during incarceration.

13.

Defendant's father has retained the undersigned attorney to represent him at trial and the defendant kindly requests the court withdraw the bench warrant and place his case on the June 2010 jury trial calendar for a speedy jury trial.

14.

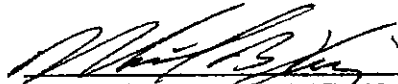

Defendant maintains that he is innocent of the criminal charges and believes a fair-minded jury will find the same.

15.

Defendant maintains that his attorney visited the prosecutor's office on or about May 10, 2010 and May 11, 2010 to discuss consenting to withdrawing the bench warrant and placing the case on the June 2010 trial calendar. Counsel was informed by the prosecutor's clerk that the prosecutor was not available to speak to counsel about the defendant's case.

WHEREFORE, the defendant kindly urges the court to immediately enter an order withdrawing the bench warrant and place his case on the June 2010 trial calendar for a speedy jury trial pursuant to OCGA Section 17-7-170.

Case No. 09CR2680

Charge: Impersonating an Officer

**STATE'S RESPONSE TO DEFENDANT'S
DEMAND FOR A SPEEDY TRIAL**

COMES NOW the State of Georgia, by and through the District Attorney of the Stone Mountain Judicial Circuit or his duly appointed assistant, and hereby moves that this Court deny Defendant's Demand for a Speedy Trial under the Georgia Constitution and O.C.G.A. § 17-7-170 for the following reasons:

1.

This Demand under O.C.G.A. § 17-7-170 is not made at the court term when the above-numbered Indictment was filed, or the next succeeding term. The Indictment in this case was filed on April 27, 2009. The term of court in which this Indictment was filed ran from March 2, 2009 to April 30, 2009. The next succeeding term of court ran from May 4, 2009 to June 29, 2009. Defendant has provided the state a signed copy of a Speedy Trial Demand on July 27, 2009. This Demand not being timely filed, Defendant does not have an absolute right to demand a statutory speedy trial under O.C.G.A. § 17-7-170.

2.

At any subsequent term of court, in order to make a demand for a statutory speedy trial after two terms of court have expired, a defendant must seek special permission of the Court. Defendant in the present case has not sought permission of the Court prior to his Demand, thus his Demand for a Speedy Trial under O.C.G.A. § 17-7-170 is improper and invalid.

Wherefore, the State moves the Court to deny Defendant's Statutory Demand for a Speedy Trial.

Respectfully submitted, this 4th day of August 2009.

Respectfully,

Dear, Mr. Lee Sexton, Esquire

This REQUEST OF MOTION FOR SPEEDY TRAIL comes from previous correspondence via facsimile pertaining to the case (see twelve enclosed attachments signed, copy cert mail with the last eight digits **80900332** , dated 05/19/09 and initial in blue ink JCJ) . My concern about this case and matter comes as the calendar date grows near and we meet the deadline without going to default in this matter. If you have already proceeded with these filings could you please inform me of the date, time of those fillings? MR. Lee Sexton when discussing this matter with you on the first day that I retained your services April 11, 2008 receipt No. 238290 (for \$5,500 dollars), your strategy to resolve this matter was well received. I've always had faith in your services and I still do However; I seek finality and closure of this case.

Dear, Mr. Sexton

Mr. Sexton you may already be aware of the indictment filed by DeKalb County Courts, but I do not know? So I telephoned your law firm office today (05/07/ 2009) between 2:00p.m. / 4:00p.m. to inform you that my wife and I were searching the www(World Wide Web) online site at the CJS (Criminal Justice System) and discovered that there was an indictment filed April 27, 2009 with a case # of 09CR2680. Also, I wanted to inquire if you had filed a motion for a speedy trial and if not, when will you file the motion for a speedy trial? Furthermore what is the time frame we have to file a motion for a speedy trial and present the motion to the court, since an indictment was filed on 04/27/2009?

I remembered the last time we communicated in your office we discussed a motion for a speedy trial. Mr. Sexton you said if I was to be indicted (formerly charged) that you would enter a motion for a speedy trial. Please forgive this letter if you have already asked for the motion for speedy trial. I left a message for you, on your investigator, Mr. Wayne Bolden's voice mail.

Mr. Sexton my wife and my messages sometime go on unreturned and for that reason, I write these letters of communication to communicate with you for the lag in response time. I wait for a return phone call or mailed letter from you.

Ref: Error on letter sent Thursday

Hello, Mr. Sexton I hope that this letter reaches your hand in good health. The information pertaining to the online website that I faxed on Thursday was wrong. The web site was OJS (online judicial system) and not the CJS (criminal justice system) that I faxed. Enclosed is a copy of the print out sheet that my wife and I saw.

Also enclosed is a signed receipt from your receptionist dated for 09/29/2008. I had hand delivered to your law firm a copy of Ms. Joy Adams deposition (from my civil case). In the deposition that I provided to your law firm, is the evidence to have the case dismissed. In the deposition Ms. Joy Adams answers a question that was put forth to her like, "have you spoken with Mr. James Jones in the year of 2008". Ms. Joy replied "no". Then she was asked, "what about the month of March of 2008". Again, Ms. Joy Adams replied "no".

Now, what I'm going to type may be hard to take in. A question was then asked, ("in the month of March on the seventeen day of 2008, did you speak or communicate with Mr. James Jones at your residence about 12:00 noon". Ms. Joy Adams again, replied "no". Then Ms. Joy Adams was asked "were you at work around 12:00 noon on the seventeen day of the month of March of 2008". This time Ms. Joy Adams replied "yes, I was at work on the March 17, 2008 when my daughter called me on phone and told me that Mr. James Jones had came to my residence with a subpoena for me (Ms. Joy Adams)".

This sound consistence with what I told you (Lee Sexton) and what I typed in a complaint filed with the DeKalb County Police Internal Affairs Division. I also sent you a copy of this information, because you told me that I could get help when writing the complaint with my civil attorney, because you do not do civil case. I sent you a copy anyway explaining my concern of not revealing any new information, because I did not know were the civil part of the case drops of and the criminal part start, being that the cases both deal with the same issue. This is why I sought your and his console. There was no corroboration on her part to fit the report that my civil attorney, you and including myself have read. Mr. Sexton as I had stated to you before I need to be back working to support my family.

I'm closet to losing my house, the repossession agent (repo man) came to my listed address to take my motorcycle, my wife has taken on two jobs to try to pay the past due notices. I can see that her health is slowly declining again. Mr. Sexton you do know that the only reason I had to leave the Savannah Metropolitan Chatham Police Department was due to the same issue (my wife's declining health). My children's health and learning attitude also are suffering due to this ordeal. My 16 year old son has also left home behind some of the issues, and emotional distress this has caused.

Page 2 of 2

In closing Mr. Sexton I have not been brief at all by you on what is going on in my case about me, other than you were going to talk with the District Attorney (Ann Long) in reference to having this case dismiss. I need to set up a time with you or through your investigator Mr. Wayne Bolden to communicate about my case. Mr. Sexton you once had said that you have knowledge of a person who works for the media (channel 2). I ask is this the right time to contact him or her?

I also seek your counsel again in reference to writing my congress man / women and others about me being set up and the stalling of my due process of the six amendments?, but again I do not want to say or do anything that would be consider new information without your approval or without you having knowledge of what is about to happen. I guess I'm saying again when speaking with anyone were do the civil part of the case drops and the criminal part of the case start. Mr. Sexton I just want this nightmare to end. I can not work, because when companies run my background check they see an open case without a closed disposition. Also enclosed is a copy of the face sheet faxed to your law office (12/04/2008) in reference to the information that was delivered to the DeKalb County Police Internal Affairs Division. The DeKalb County Police Internal Affairs Division do not have a copy of Ms. Joy Adams deposition, unless you have giving them a copy of the one that I gave you. Mr. Sexton, I do not want to interrupt your silence, in this matter of fact. Please communicate with me face to face.

● **Comments:** Attn: Mr. Lee Sexton here is the copy of the (Official complaint) that I 'm sending to the DeKalb County police investigation unit for you review. This complaint should start the investigation in reference to the officers' misconducts. I did not want to go into detail (on the complaint) like you had instructed. I just want to make sure if this complaint was ok? I talked to my civil attorney about the complaint, but he is not my criminal attorney. I don't want to release anything new to anybody without you present or without you having knowledge of the complaint. I will maintain a copy for myself since I have no way of knowing if this reaches your hands. Amendments A, b1, b2, and c are copies of the police reports that you and the Dekalb county police Department already have in their files. Thanks you for your time. (CLIENT _____) *James JONES.*

CERTIFIED MAIL # 70092250000163274383

JUDICIAL NOTICE; IN THE NATURE OF WRIT OF ERROR CORAM NOBIS & A DEMAND FOR DISMISSAL
OR STATE THE PROPER JURISDICTION

Now comes JAMES CALVIN JONES JR ©®™, a non corporate entity with a JUDICIAL NOTICE; IN THE NATURE
OF WRIT OF CORAM NON JUDICE & A DEMAND FOR DISMISSAL OR STATE THE PROPER
JURISDICTION. Pursuant to FRCP Rule 4 (j):

This Court is defined under FRCP Rule 4 (j) as a FOREIGN STATE as defined under 28 USC 1602 -1611 FOREIGN
SOVEREIGN IMMUNITY ACT (FSIA) is being jurisdictionally challenged and full disclosure of the true jurisdiction of
this Court is now being demanded.

Any failure to disclose the true jurisdiction is a violation of 15 Statutes at Large, Chapter 249 (section 1), enacted July
27 1868, Chap. CCXLIX. --An Act concerning the Rights of American Citizens in foreign States:

Whereas the rights of expatriation is a nature and inherent right of all people, indispensable to the enjoyment of the rights
of life, liberty, and the pursuit of happiness; and whereas in the recognition of this principle this government has freely
received emigrants from all nations, and invested them with the right of citizenship; and whereas it is claimed that such
American citizens, with their descendants, are subjects of foreign states, owing allegiance to the government thereof; and
whereas it is necessary to the maintenance of public peace that this claim of foreign allegiance should be promptly and
finally disavowed; Thereof.

Be it enacted by the Senator and the House of Representatives of the United States of American in Congress assembled,
That any declaration, instruction, opinion, order, or decision, of any officers of is government which denies, restricts,
impairs or questions the rights of expatriation, is hereby declared inconsistent with the fundamental principles of this
government.

As an American Citizen I hold the inherent right of the 11th Amendment. The judicial power shall not be construed to
extend to any suit in law or equity, commenced or prosecuted by a Foreign State. If this FOREIGN STATE is misusing the
name of this American Citizen by placing it in all caps or misusing the last name or using the term "person" as a
CORPORATION all complaints and suit against such CORPORATION fall under the FSIA and the DEPT OF STATE
OFFICES in Washington DC. DC now has to be notify pursuant to 22 CFR 93.1 -93.2. A copy of the FSIA has to be filed

with the complaint to the defendant's chief executive officer of that CORPORATION.

MUNICIPAL, COUNTY, OR STATE COURT lacks jurisdiction to hear any case under the FOREIGN STATE definitions.

This jurisdiction lies with the UNITED STATES DISTRICT COURT under the FSIA Statutes pursuant to 28 USC 1330.

Because the Defendant is a non corporate entity and is not registered with any Secretary of State as a CORPORATION the

Prosecution has **FAILED** to state a claim to which relief can be granted under 12(b)(6). Should be therefore this matter

must be dismissed for lack of political, personam, and subject matter jurisdiction, venue and under the 11th Amendment.

Definitions

Corpus Juris Secundum "The Body of Law" or Legal encyclopedia, Volume 7, Section 4: as quoted:
 "Attorney & client: An Attorney's "first" duty is to the Courts (1st) and the public (2nd) and not to the client (3rd), and wherever the duties to an attorney's client "conflict" with those interests that he/she owes his allegiance to, as an officer of the court in the administration of justice, the former must yield to the latter". The Biggest problem today is that People do not know their own rights & blindly entrust their rights to someone else.

Q. Okay. You understand the question. I'm not trying to trick you or anything. But you left Clarkston on January -- around January 1st, 2008; is that correct?

A. That's correct.

Q. Okay. My question is have you had a conversation with James Jones from January 1st, 2008, up until today?

A. No.

Q. Have you ever seen Mr. James Jones at your house between January 1st, 2008, and today?

A. No .

Q. In March, in March 2008 -- did you ever have a conversation with any person employed with Clarkston about James Jones in March 2008?

A. Yes.

Q. Okay. And can you identify that person for me?

A. The city clerk, Tracy Ashby.

Q. Okay. And how many conversations do you think you had with Ms. Ashby in March

A. One.

Q. 2008? Was that phone or in person?

A. In person.

Q. Okay. And that was at the City of

Q. Okay. At that time. When did you make the 911 call?

A. I don't recall the exact time the call was made, but it was on March 17th.

Q. That you called 911?

A. I called to make a report on March the 17th. I don't recall the exact time I made the call, but when I made the call, I was informed by the operator that an officer would return the call to me.

Q. And the officer returned the call about 11:00 p.m.?

A. Yes.

Q. When you made that 911 call, were you at home or were you at work?

A. To my recollection, I was at home.

Q. Why did you make a 911 call to, I guess, DeKalb County Police or Emergency? Is that an emergency call, 911?

A. When you call the 911 number, they will dispatch you to a nonemergency operator, and that's what happened.

Q. And why did you make that call on March 17, 2008?

A. Because when I learned that Mr. Jones had come to my home, he was an ex-officer. I was then

the clerk of court. I didn't know what his motive was for coming to my home. I had never invited him to my home or had he driven me home or had any reason to have knowledge that he knew where I lived to come personally to my home. So I didn't know what he was up to .

Q. Okay. Is that what you reported to the 911 operator?

A. I did.

Q. Okay. Now

A. Not to the operator, to the officer.

Q. Okay. To Officer Harper. Now, what else did you tell Officer Harper other than what you just testified to?

A. That my daughter had informed me that Mr. Jones had come to my home at approximately 12:00 o'clock during the day, knocked on the door. And when she had asked who is it, he informed her that he was Clarkston Police.

At that time, she was reluctant to open the door, but she didn't know if something had happened to me because everybody there knows me, or what the situation was, so then she attempted to open the door. When she cracked the door, Mr. Jones was the person standing behind the door, and to

reference, it was mentioned that he was with
Clarkston Police and that --

Q. Is that what your daughter told you?

A. Yes.

Q. That Mr. Jones said he was with the
Clarkston Police?

A. When she asked who it is, he said
Clarkston Police. He did not identify himself as
James Jones.

Q. That's what your daughter told you?

A. Exactly.

Q. And you reported that to Officer Harper?

A. Correct .

Q. Okay. On or about March 17, 2008, about
11:00 o'clock p.m.?

A. Yes.

Q. And your daughter was the one you
identified earlier?

A. Yes.

Q. Her name again?

A. Zaneta Williams.

Q. You don't know what time you had that
conversation with your daughter about Mr. Jones?

A. She called me immediately after he left
the residence. I don't recall the exact time that I

received a call.

Q. And were you at work when your daughter called you?

A. I was.

Q. Okay. And she told you the same thing that you just testified to earlier?

A. Yes.

Q. That Mr. Jones had come to your house, that he had a subpoena. He identified himself as a Clarkston police officer?

A. Yes.

Q. And that he left a subpoena for you?

A. She didn't know at the time that he left that it was a subpoena because of the way that it was folded up. Her indication was that he said give this to your mom. They're trying to do me the same way they did her.

Q. They're trying to do who the same way?

A. Do him the same way that they did me. I don't know what was meant by that.

Q. Oh, okay. That your daughter reported to you that Mr. Jones stated to her they were trying to do him the same way they did you?

A. Exactly.

Q. Okay. And then when you got that phone

call, you did you call 911?

A. No.

Q. Were you at home, you think, when you called 911, or was it after work after you had

A. It was after I had come home, but I'm not I can't recall if I was on -- because I use my cell phone a lot as well, so I'm not sure. But I'm in recollection, I believe I was at home.

Q. And whatever your daughter reported to you, you gave that information to Officer Harper over the phone; is that correct?

A. Yes.

Q. Okay. And did you have any other conversation with Officer Harper about the incident,

A. State your

Q. about Mr. Jones?

Did you have any other conversation with Officer Harper about Mr. Jones after the conversation you had with him about 11:00 p.m. on March 17th, 2008?

A. You mean did I talk to him anymore that day?

Q. Yes.

A. No.
